Michael and Brenda,

Just a note to say "Thank You" to you for a fantastic performance! Normally we do our own entertainment, as our staff is a demanding audience being in media ourselves! It all came together so well since this was our company's 60 anniversary and we had a "Magic" theme for it; with which you fit in perfectly.

Your show was terrific, very entertaining upbeat and fun. Your interactiveness really captivated the audience as they were left in anticipation for who would be pulled up on stage next. Our staff was constantly asking "how did they do that?" I was even up on stage for one routine and I couldn't even begin to figure out how you did what you did!

We actually heard about you and the show from others who booked you, and were totally impressed. Based on that we booked you as well and were more than pleased with the entire night.

Your professionalism was outstanding, your magic was captivating, and your relationship with the audience was spot on. All the very best in the future and continued success entertaining and astounding other lucky crowds!

Best regards

Subject: BlackSalt & Brenda Q

We had the pleasure of having BlackSalt & Brenda Q entertain us.

They came highly recommended from one of our employee's who had seen them at another function. We were not disappointed.

The show they performed for us was amazing. It was incredibly up beat and hilarious. We had many comments on how refreshing it was to have a great laugh without vulgar language or people getting embarrassed.

As the President of our Social committee I have seen many different acts to whom we may consider hiring for an event, Blacksalts & Brenda 0 top that list.

Dear Michael:

Re: BlackSalt and Brenda Q Performance

I am happy to send you this letter of commendation for your performance. Due to yours and Brenda Q's contribution, our event was a huge success. Our group was very entertained and the talk in the hall after indicated that the entertainment was well received. The respect you showed to the hypnosis volunteers was appreciated as this was a "Corporate" event. All were very comfortable with the show and given the opportunity would do it again!

The evening truly was **"A Vacation for the Mind"**

Thanks again Michael and Brenda...
